Our story

Mygros is a family business with a 100-year-long tradition and led today by the fifth generation of the Huzjak family. Located in a picturesque village in northern Croatia, our modern factory offers great flexibility in processing button mushrooms, olives, vegetables and fruits.

We specialize in handmade and hand-filled premium quality gourmet products.

We focus on producing small batches of authentic products specially tailored to our clients' needs.

Our objective is to further enhance the family business with creative and innovative ideas, combining traditional flavours and craftsmanship with modern technology and quality control.

Cherry peppers

Cherry peppers stuffed with cream cheese or ricotta, in oil

The perfect combination of spicy, sweet and sour, softened with mild creamy cheese.

Cherry peppers stuffed with tuna, in oil

Tuna with capers and herbs adds a rich flavor to this well-rounded treat.

Cherry peppers stuffed with shrimp, in oil

Tender shrimps paired with flavourful peppers create a light and exquisite antipasti.

Stuffed Olives

Green olives stuffed with cream cheese or ricotta, in oil

Green olives stuffed with aged goat cheese, in olive oil

Green olives stuffed with aged sheep milk cheese, in olive oil

Green olives stuffed with ricotta and truffles, in extra virgin olive oil

The unique blend of mild ricotta and aromatic truffles perfectly pair, making these olives a special delicacy.

Green olives stuffed with almonds, in brine or olive oil

A genuinely traditional Mediterranean combination of various cheeses, almonds, olives and olive oil.

Vegan range

Our vegan products are not only an ideal choice for vegans and vegetarians, but also unite a range of different world cuisines in this exciting combination.

Cherry peppers stuffed with tofu, in oil

Cherry peppers stuffed with hummus, in oil

Cherry peppers stuffed with guacamole, in oil

Cherry peppers stuffed with smoked tofu, in oil

Green olives stuffed with hummus, in oil

Button mushrooms

Whole button mushrooms with silverskin onions and peppers, pickled

A perfect salad, side dish or garnish with appetizer platters.

Button mushroom caps stuffed with ricotta with Mediterranean herbs, in oil

Well-balanced fusion of delicate flavours of mushrooms, ricotta and herbs.

Button mushroom caps stuffed with ricotta and truffles, in extra virgin olive oil

The mild flavour of mushrooms allows for the ricotta-truffle stuffing to truly stand out.

Fruit range

Sour cherry

Raspberry

Bilberry

Blackcurrant

Blackberry

Minimally processed whole fruits in syrup, retaining natural flavour and colour.
With no added aromas or preservatives and with lower sugar content.
Packaged in glass jars allowing for a long shelf life and no refrigeration needed.

Versatile application — as a topping or filling.

For a quick and delightful dessert just add a spoonful of fruit to your yoghurt, cheesecake, chocolate mousse, oatmeal, ice cream, panna cotta, pancakes or your favourite cocktail.

Private Label

We can be your partner for Private Label in specialty gourmet products. According to our clients' wishes, we will adapt or create new recipes and products. We are happy to provide the packaging of your choice and we also offer a range of different glass jars.

Our exclusive use of glass jars makes our packaging 100% recyclable and sustainable, while ensuring a long shelf life at room temperature without added preservatives.

Bonus Tip:

- After enjoying our delicious peppers, olives or mushrooms, oils can be used for cooking.
- Pepper-flavoured oil is an excellent cooking oil, adding a piquant touch to vegetables, meat or eggs.
- Truffle-flavoured extra virgin olive oil makes a great addition to pastas or risottos.
- Olive oil can be used in salad dressings or as a very healthy cooking oil.
